Travel planning fees are based on cost of land arrangements only. Any fees charged for services by Alysia Hopper/Avenue Two Travel are non-refundable. For all other providers involved in your trip (hotels, guides, cruiselines, etc.) you will adhere to their individual cancellation policies. Occasionally, these may be very strict and may involve non-refundable deposits. When this is the case, travel insurance is suggested to protect you from the unexpected. **\*Hopper Travels reserves the right to adjust these fees at any time. Effective July 7, 2020.**
